Dear Sir:

I want to protest the rate hike by S.C. E. & G. I presently pay in Berkeley County for 2600 sq. ft home less than I pay here on Broad Street for 900 sq. feet. What is the problem? Why do they need more when the merchants on this street are barely making cost. It appears you are letting them gouge all of us local business owners!!! I really feel sorry for the poorer people in this area!!

Sincerely,

Stephanie S. Hamlet
